Class of 2024

ANNUAL HOLLANDSTRONG MEMORIAL SCHOLARSHIP

APPLICATION FORM

BACKGROUND

The Hollandstrong Memorial Scholarship fund was created by the family of Michael Holland. Michael was working as the 3rd assistant engineer aboard the SS El Faro cargo ship when it sank off the coast of the Bahamas near Crooked Island on October 1, 2015 during Hurricane Joaquin. Michael was a two-sport varsity athlete at Jay High School, serving as team co-captain in both football and baseball during his senior year. He graduated in June 2008. He most enjoyed industrial technology classes such as automotive mechanic and metals where he could get his hands greasy working on engines. He attended college at Maine Maritime Academy where he graduated in 2012 with a bachelor’s degree in Marine Engineering Technology.

REQUIREMENTS

- Must be a graduating senior from either MSAD 52, RSU 73, or RSU 9
- Must be enrolled as a student in a 2 year or 4 year degree studying engineering, machine tool, or automotive/diesel mechanic
- Must have played at least one varsity sport while in high school- preferably serving as a team captain
- Must have taken at least one industrial technology course while in high school

AWARD

Three - \$1,000 scholarship awards will be given out this year – one each to a graduating senior in each of the Hollandstrong community school districts indicated above. The award will be made directly to the recipient upon receipt of successful completion of the 1st semester and proof of enrollment in the 2nd semester of the student’s freshman year of college.
